

## Price List - System ECOsens®

from 01-01-2019, prices in EUR excluding VAT

Status: 19/01

Produkt		
Name		Price
<b>ECOsens online (GSM/GPS/Bluetooth/CAN with SIM-Card)</b>	per vehicle	1.098,--
Blackbox, integrated GPRS/GPS/GLONASS/Bluetooth 4 BLE module, fuel tank sensors, cable set, window mount antenna		
<b>ECOsens online – Monthly Rates</b>	monthly	15-29,--
SIM card for GPRS connection, Shared communication server, Internet portal for tracking and fuel monitoring, Prices vary with requirements for regional coverage and specifics		
<b>ECOsens classic (free local data transfer 868MHz)</b>	per vehicle	1.098,--
Blackbox, integrated radio module, fuel tank sensor(s), fuel tank sensors, cable set, window mount antenna		
<b>Base Station</b>	per station	1.098,--
Radio base station, Power supply adapter, antenna, connection cable to PC/Server, software license for base station and reporting software, lifetime updates		
<b>Cutting Tool for Tank Sensor Opening (Hole Punch)</b>		895,--
Axle 20mm with punch, Screw nut M20 x 1,5, Punch die with bearing, Rope made of NIRO for threading through the tank, Delivered in transport case		

Ersatzteile			
Name	Remark	Part Number	Price
Blackbox repair	Replacement of electronic board (i.e. after water damage)	200.100	385,--
Data cable	SUBD9, shielded, cross-over, for connection to a modem	200.300	12,--
Supply cable	For supply of blackbox	200.500	22,--
Sensor cable	For connection of sensors to blackbox	200.600	29,--
Vehicle antenna	Window mount antenna type	200.950	22,--
Fuel sensor	Standard length 385 mm (Car Transporter, Site vehicles)	300.380	176,--
	Standard length 465 mm (Iveco)	300.460	176,--
	Standard length 485 mm (Scania, Renault)	300.480	176,--
	Standard length 554 mm (MAN, Mercedes, Volvo)	300.550	176,--
	Standard length 612 mm (MAN, DAF, Iveco)	300.600	176,--
	Standard length 654 mm (Scania)	300.650	176,--
	Standard length 685 mm (Mercedes,Volvo/Renault,MAN,DAF)	300.700	176,--
	Sonderlänge 685 - 980 mm (Construction machinery)	300.XYZ	198,--
	Sonderlänge 1000 - 1500 mm (Constr. machinery, Truck)	300.XYZ	298,--
O ring seal	Material NBR 70 (for fuel sensors)	300.900	3,--
Power adapter	220 VAC/50 Hz	400.500	21,--
Power adapter	For other voltage range	400.5XX	on demand
Base station antenna	Standard magnet antenna	400.900	27,--
	„Ground Plane“ antenna for wall mount, exterior	400.930	68,--
	Directivity antenna (Yagi type)	400.950	128,--
